

Individual Reflection - Anton Svarén

- **What do I want to learn or understand better?**
I want to keep learning Kotlin and Android studio.
- **How can I help someone else, or the entire team, to learn something new?**
I can try and learn Kotlin better, in order to help my team members when they have questions.
- **What is my contribution towards the team's use of Scrum?**
I have created new stories, tried to assign members of the group to cards in our trello board. Tried to keep everyone busy with some tasks.
- **What is my contribution towards the team's deliveries?**
I have created an instruction on how to set up android studio and its emulator. I have helped out with creating new stories. Tried to be helpful when people had problems with the setup. Tried to learn Kotlin, through videos and forums.
