Individual Reflection week 2.

Irene Cánovas Vidal.

WHAT DO I WANT TO LEARN OR UNDERSTAND BETTER?

For me it is a bit complicated to adapt to the language as I have never had such long meetings in English. In addition, the use of Git Hub is also new to me and I'm finding it hard to adapt. I would like to improve in these aspects.

HOW CAN I HELP SOMEONE ELSE, OR THE ENTIRE TEAM, TO LEARN SOMETHING NEW?

I can bring to my team the knowledge I learned during my data science courses, I can help in the implementation of the code and bring new ideas.

WHAT IS MY CONTRIBUTION TOWARDS THE TEAM'S USE OF SCRUM?

I am part of the scrum team and perform the tasks assigned to me.

WHAT IS MY CONTRIBUTION TOWARDS THE TEAM'S DELIVERIES?

This week I have realised part of the canvas model.
